

New 51

new 2022

Parce que Fountaine Pajot offre une gamme homogène et actualisée, tout en proposant des modèles répondant à des programmes de navigation variés, un New 51 rejoint la gamme Fountaine Pajot en 2021/2022 pour naviguer encore plus “bleu”.

Ce nouveau modèle de 51 pieds bénéficiera de belles innovations tant techniques que d'aménagement.

Because Fountaine Pajot offers a consistent and up to date range, while at the same time offering models to suit a variety of boating programs, a New 51 is joining the Fountaine Pajot range in 2021/2022 for even more sustainable sailing.

This new 51-foot model will benefit from a number of great technical and design innovations.
